Re: F.O.I.L. Request
Marihuana Stats 1/2017 - Present

Dear Ms. Whitford:

I am an Assistant District Attorney in New York County and have been assigned to be the Records Access Officer in connection with your requests under the Freedom of Information Law (F.O.I.L.). The requests were received by this office on or about December 3, 2018. You make two requests, regarding statistics about marihuana prosecutions and controlled substance prosecutions involving THC.

I need to contact persons in the Office who are knowledgeable about such statistics and see if such a search is feasible with the parameters you have provided. Once I receive this information, I must review it in order to rule upon your request. You can expect a determination or an update of that process on or before January 7, 2019.

Sincerely,

A handwritten signature in blue ink that reads "Christina Ante".
